

## BIO210 - VÅR 2018: LITTERATURLISTE

- **Evolutionary Analysis (5th Edition)**

Authors: Jon C. Herron & Scott Freeman

Year/version: 2013, 5<sup>th</sup> Edition

Publisher: Pearson

ISBN-13: 978-0321616678

ISBN-10: 0321616677

- There will be three virtual laboratory simulations from SimBio which you will be required to purchase licenses for (total cost: USD 15). You will get the instructions for purchasing access (registering) at the beginning of the semester.
- There will be a few required videos to watch, and there may be a few additional readings (handed out by Course Coordinator).
