

**MOL210**  
**Lipid Biochemistry:**  
**from Chemistry to Diseases**  
**Printed syllabus**

**1. LIPIDS,**  
***Biochemistry, biotechnology and health***  
MI Gurr, JL Harwood, KN Frayn, DJ Murphy and RH Michell  
ISBN: 978-1-118-50113-9  
*2nd Edition – Aug 2016*

Also available as eBook

<http://eu.wiley.com/WileyCDA/WileyTitle/productCd-1118501136.html#>

**2. Membrane and Structural Biology –**  
***With Biochemical and Biophysical Foundations***  
*Mary Luckey, 2nd Edition – May 2014*  
ISBN 9781107030633  
Chapters 1-4 and 7

Also available as eBook  
ISBN 9781107722958
