**The course is mandatory for MA students.**

**Aim and content:** The course will provide students with an introduction to the skills and overview of the knowledge they need to work on the thesis, such as the use of library resources, citation techniques, sources. It will also provide knowledge of what a research proposal shall contain.

After completing the course, the student should be able to write and present a MA proposal. The presentation will take place in the next course **Fil 311/313** and will be attended by the potential supervisor.

**Course value:** 5 credits

**Evaluation:** Pass / Fail. A student passes provided that s/he:

- attends at least 2/3rd of the meetings (=3)
- does at least 2 homeworks.

Schedule:

- **Week 37, 14.09**
  - General advice on writing the MA proposal (and MA thesis)
- **Week 38, 21.09**
  - A close look at an actual MA proposal: comments.
  - Writing *Introductions*: discussion on examples
  - Writing tips
- **Week 39, 28.09**
  - Presentation practice. MA project brainstorm
  - 'The views of others'. Summarizing and presenting an argument by someone else
- **Week 41, 12.10**
  - Presentation practice cont'd
  - Whom should we contact as potential supervisor?
    - Three names, ranked from the list of supervisors
    - Date of the presentation of your MA proposal in Fil 311
